

Notice, 2 February 2010

The conference paper:

Gitau, S., Donner, J., & Marsden, G. (2009). *"i-Internet? Intle" (beautiful): Exploring first time internet use via mobile phones in a South African women's collective* Paper presented at the 3rd Annual Conference of the International Development Informatics Association, Kruger National Park, South Africa.

Has been updated and is currently under review. We hope to provide links to an updated draft, and/or updated citation information shortly.

In the interim, please refer to our earlier paper

Donner, J., & Gitau, S. (2009). *New paths: exploring mobile-centric internet use in South Africa*. Paper presented at the Pre-Conference on Mobile Communication at the Annual Meeting of the International Communication Association, Chicago.
